Currently seeking an internship or full-time job as a Software Engineer. I am thriving to obtain more information and knowledge to better myself and the world.

Education: California State University, Northridge, California 91330
Computer Science Major Bachelors of Science Spring 2021

Projects: Arm/Hand Gesture Replicator
3-D printed arm pieces and assembled them, soldered wires and resistors to circuit, coded the robotic hand and the glove so that they are able to communicate with each other.

NASA NCAS - Software Lead
Coordinated with the hardware/mechanical team to be able to get our mockup rover to execute tasks we preconfigured for the mission, and lead the software team so that we had a clear goal & finish it on time.

NASA L'Space - Deputy Project Manager
Responsible for Engineers and Scientists to be on track within their departments and also have the same goals for the project, coordinate weekly meetings to discuss any concerns or progresses made.

Languages: C/C++, Java, SQL, Python, HTML, CSS, Javascript, Bootstrap

Work Experience: CSUN IT Media & Help Center S.A. (Spring 2020-*Current*)
Helped students with their questions and problems they have, assist with campus-related technical problems.

IHSS (August 2016-*Current*)
Help others as a Caretaker for the elderly, communicate with them daily to meet their needs and wants so they are comfortable.

NASA NCAS Student Assistant (Summer 2019)
Be a huge part of student's learning experience and growth, assemble the rover obstacle course, and be available for student's questions and uncertainties.

Curriculum Vitae

Awards: Full Time Dean's Honor List (4 Semesters), President's Honor (2 Semester)
The Valley Economic Alliance-Valley Hackathon IV (1st place winner)

Scholarships: William Henry Snyder Scholarship, Lucille Schwartz Scholarship, Marvin Hoffman CSIT Scholarship, SWE - Sharon Cascadden Memorial Scholarship

Activities:
NASA Community College Aerospace Scholars (NCAS)-Spring 2019
NASA L'Space Academy-Spring 2019
National Cyber League (NCL)-Fall 2019 Individual Game Rank: 790/4149
